Subject: 33 HSSR Articles Double Checked and Finalized

Dear Dr. Siti Suriani,

My sincere apologies for sending these 33 articles past the due date that you had given me. This was because, for each paper, I had double-checked the content and ensure that the authors:

- strictly follow the new 2020 template
- have done the 2nd round of revisions that you have requested (I have noted the changes they made in the Recap of EEIC-AIC Selected Articles for HSSR as attached lastly with this email for your administrative needs)
- have hyperlinked all of the references as required by the journal (I personally have checked every single reference, making a total of 1,347 references, so that they follow the APA 7th style to the best that I can...I have also provided

translations to titles in Indonesian and run the Spelling and Grammar check for every article by setting it to the proofing language of UK English)
- cite relevant articles to their topics from HSSR

I hope all of the articles are now worthy and suitable to be published by HSSR, Dr. Please do let me know if further amendments are needed. Thank you so much for all of your help, Dr.

Sincerely,
Yunisrina
